### USGA RULES GOVERN PLAY

- All water hazards are defined as lateral hazards.
- In the absence of red lines or stakes, the grass line at the water's edge shall determine the margin of the hazard.
- Out of bounds is defined by roadways, white stakes or lines.
- Perimeter of golf course shall play as lateral hazard.
- Embedded ball rule is in effect through the green.
- Drop zone located on Hole #3 on Whispering Oak.

### ETIQUETTE

- Please protect our greens and fairways.
- Obey 90° cart rule.
- Keep carts on cart paths around tees, greens and all par 3's.
- Repair ball marks immediately.
- Fill divots with sand and rake bunkers.
- No golf carts in club parking lot.

Old Orange (Emergency Phones) – Hole #1, Hole #6, Hole #13  
 Whispering Oak (Emergency Phones) – Hole #6, Hole #12

**PACE OF PLAY**  
 Pace of play is four hours.

**LIGHTNING POLICY**  
 If you see lightning or hear thunder, you are at risk and we advise you to take shelter. Verandah Club also has a lightning prediction system that will sound an alarm when unsafe conditions are present. A solid 15-second blast of the horns means the system is predicting lightning and you should seek shelter.  
 Once the system does not detect lightning in the surrounding area, a signal will be sent to the horns to activate. This signal is (3) five-second blasts. You can safely return to the golf course when you hear (3) five-second blasts.

 **PGA** Head Golf Professional - NATHAN GROCE  
 **GCSAA** Golf Course Superintendent - STEVE BILL
