* Rates followed by a * have been estimated by Tee Times USA for golf courses that have not yet submitted their rate sheet to us. We estimate the rate so that you may have a good idea of what this golf course will charge. Our estimate is based on past rates and conversations with golf course management. Once we receive the golf course's official rate sheet, we will update this list. When you call to reserve your tee time, please be sure to confirm with us the official rate that you will be charged. On your day of play, you will be charged the golf course's official posted rack rate regardless of what this rate sheet shows.
