Please note that for the consideration of all players, groups are required to complete each hole in 15 minutes or less (max. 4.5 hours per 18 holes). When a group falls more than 10 minutes behind, our Golf Ambassador will issue a Pace of Play Warning and set a goal for the group to get back on schedule. If the group is unable to meet that goal, a second Pace of Play Warning will be issued along with a revised goal. If the second goal is not met, the group may be asked to skip holes or offered a rain check. Thank you for your cooperation.
